

Hello Final Fight Bible Radio listeners!

**"...but the word preached did not profit them, not being MIXED with FAITH in them that heard it"
- Hebrews 4:2**

It is worth considering that faith and God's promises, like recipe ingredients, must be combined together to turn out right. Having FAITH is good, but you can easily be misdirected if you don't know what God's PROMISES are; also, it's great to have God's PROMISES, but in many instances they have no actual effect in your life without your active FAITH in them. **Learn God's promises and then by faith claim those promises in your daily life.**

March Matchness

Once again, I want to THANK all of you who participated in March Matchness this year. **There is no way that we could afford to broadcast the 9 foreign stations without doing this promotion.** Thanks to your donations, we are able to continue broadcasting the word of God and sound Bible teaching and preaching 24 /7 for another year in Greek, German, Dutch, Spanish, Thai, Pashtu, Russian, Korean and on our FM station in Liberia.

Liberia Station News

With some of the funds that were raised for our foreign stations, I decided to take advantage of an opportunity to upgrade our 300 watt FM transmitter to a 1000 watt transmitter. In the picture above, **the red circle is what our broadcasting range was before the upgrade**, and we broadcasted primarily to the capital city (Monrovia). We hoped that our new equipment would broadcast at least up to the Lofa and Nimbia counties (edge of orange circle) but **to our pleasant surprise, our broadcast reached into and BEYOND those counties!** From what we can tell so far, **Final Fight Bible Radio is now broadcasting to over HALF of the country of Liberia**, probably into Sierra Leone, and possibly into Guinea.

Again, I want to emphasize that this is something that WE all have accomplished together by God's grace. Everyone who has prayed for, promoted and supported FFBR can rejoice that they are a part of this!

Projects and Promotions

Thanks to a handful of people who have [enlisted](#) to help me with this radio ministry, I have had more time to

get back to putting new content and clips onto the station. I made a number of changes to the station schedule and have added regular slots for preachers such as **Wayne Sehmesh, Gene Kim, and Nico Verhoef**, and I have also added **Great Commission Conversations** by Lee Cadenhead and **Creation Moments** to the lineup. **Where else can so much great content be found all in one place?!**

I have also created a new random segment called "**Bible Bullseye**" which tests the listener's knowledge of Scripture verse references. *How well do you know your Bible?* Take a shot by clicking [here](#).

The Soul Trap

Speaking of great content, pastor Joel Tillis continues to knock it out of the park with his Bible based paranormal podcast "The Soul Trap" (Fridays at 9pm Pacific Time). **I had the privilege of being on his podcast recently** and enjoyed speaking about FFBR, the Bible and some out-of-the-box perspectives on prophecy. **You can watch that interview [here](#).**

Conclusion

The Gospel is going out, Christians are being edified, Missionaries are being supported and above all, **the Lord Jesus Christ is being continually magnified through this station.**

Thank you for your prayer and support which make all of this possible.

Be Strong (Deuteronomy 31:6),

Matt Crane

Station Manager
